

PROJECT REPORT LOGO DESIGNING

1. INTRODUCTIONS

1.1. Overview

Designing professional logo

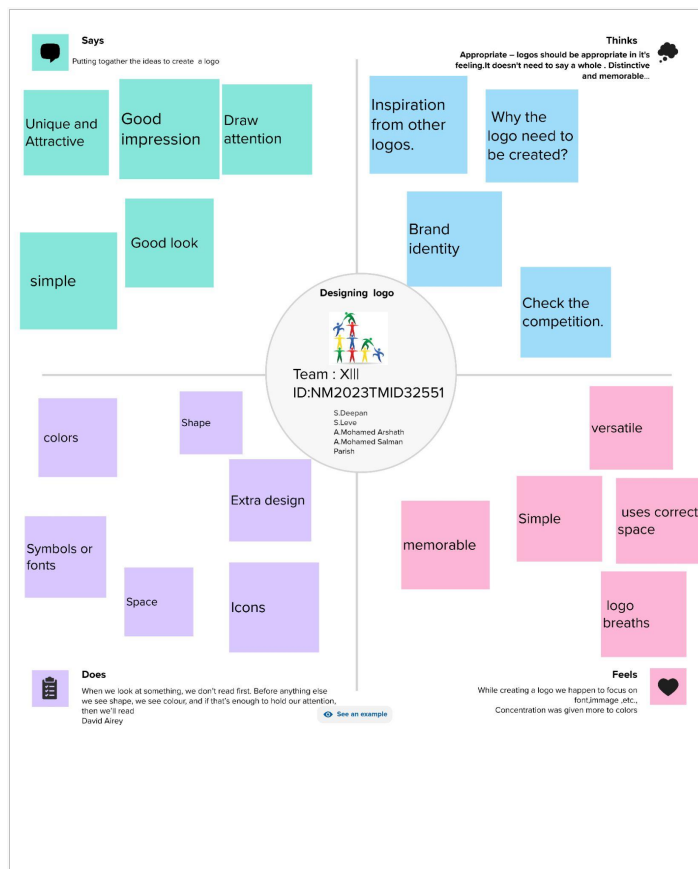

Creating a logo is more than just drawing a picture. It's about capturing the heart of what something stands for. In this project report, we'll take you through the journey of making a logo, focusing on how we turned ideas into a symbol that really means something. We'll talk about the creative part, the design choices, and the steps we took to make sure the logo connects with the people it's meant for. By the end of this report, you'll understand how we made a logo that's not only easy to remember but also tells a story.

1.2 Purpose

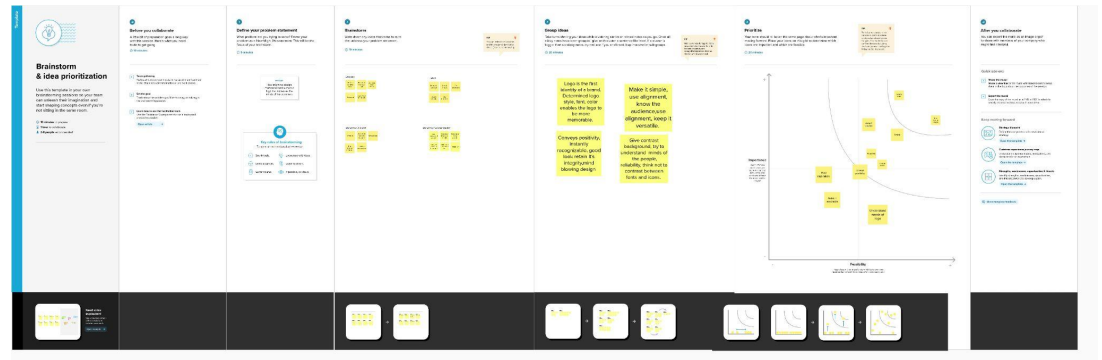

- Recognition: To be easily recognized.
- Identity: Reflect brand values.
- Memorable: Easy to remember.
- Connect: Engage with the audience.
- Professional: Convey professionalism.

2. Problem Definition & Design Thinking

2.1. Empathy map
